each student's needs.

OUR APPROACH

How We Support Districts

Supporting FAPE Obligations

Students keep learning while out of school.

IEP Alignment

Lessons follow each student's goals and accommodations.

Dedicated District Liaison

One point of contact for your team.

Our Educators

K–12 Certified Teachers

Special Education Teachers

Special Education Paraprofessionals

Wilson Certified Teachers

Reporting & Accountability

Session notes after every lesson

Weekly progress reports

Attendance records

Communication logs

You focus on the students
in your classrooms.

**We'll take care of the ones
who can't be there.**

QUESTIONS?

We Have Answers

Which students qualify?

Students who can't attend school due to medical, mental health, or behavioral needs, including students with IEPs and those awaiting out-of-district placement.

How quickly can a teacher be placed?

Most placements happen in under 5 days, often within 3. Depending on the student's needs, some can take up to 14 days.

What if the student has no curriculum?

We provide it. This is common for students awaiting out-of-district placement.

Do you offer summer services?

Yes. We provide instruction year-round, including summer.

How are pricing and contracts set?

Pricing is based on two factors:

1

**Virtual or
In-Person**

2

**Number of
Subjects**

**Contact us for a quote
and district agreement.**
